Impacts

Tony gave to Clafin University at Stuff the Van

Hunger is a big issue in the black community. I am glad that Clafin understands this battle and designed a project to help. I gave applesauce and noodles to support the volleyball team.

Gave 5.00 hours on 07/09/2021 with Clafin University

Tony gave to Clafin University

Giving back to women was excellent. I enjoyed my time and I hope this helps women get back on their feet. This project showed me how fortunate I am to have never lived in a shelter.

Gave 5.00 hours on 07/09/2021

Tony gave to Clafin University at TeleHealth Services

Telehealth services can be used to access primary care providers and specialists, including mental and behavioral health, for chronic health conditions and medication management. It also Provide coaching and support for patients managing chronic health conditions, including weight management and nutrition counseling. I am so grateful we have this tool!

Gave 4.00 hours on 07/09/2021
