Ways to Give to Clafin	48

President Henry N. Tisdale

It is a tremendous pleasure to honor those who have generously contributed to Claflin University in the past year. Because of donors like you, Claflin is able to advance its mission as well as its vision to become an academic and cultural center of global renown.

The 2011-2012 Honor Roll of Donors is our way to acknowledge and express appreciation publicly to all constituents who have invested in the present and future growth of Claflin University during the past year. As you read the pages of this publication, you will see the best examples of how our commitment to creating visionary leaders positively impacts the campus, community and the world.

This is an exciting time for Claflin University! The University continues to garner recognition from *U.S. News and World Report* as a top national liberal arts institution. The Fox News Channel featured Claflin on three separate occasions last year, highlighting the University's visionary leadership, its cutting-edge research efforts by a world-class faculty and its distinguished alumni.

Last year, the University also successfully launched the public phase of "The Campaign for Claflin University." Your continued support will enable us to reach the campaign goal of \$96.4 million. As Claflin University continues on an upward trajectory to sustained excellence, we are grateful and fully aware that our visionary goals will be achieved with your continued and unwavering support. Because you remain committed to investing in Claflin, we are able to provide resources to academically gifted and talented young men and women and make their dreams become reality.

Once again, thank you for your generous contribution and support in our effort to move Claflin University toward becoming one of the premier undergraduate teaching and research universities in the world that prepares effective and visionary leaders with global perspectives.

Henry N. Tisdale '65  
President

### The World Needs Me.

"I think being able to tell stories that impact lives is the most rewarding aspect of my job. You're the connection to let people know what's occurred in Columbia (SC) that day. I talk to some people on the best days of their lives and sometimes the worst days of their lives. This job provides me with a snapshot of the various things that happen to people every day."

**The World Needs Visionaries.**

“I was looking for an institution where I could be academically enriched and play volleyball – the game I love. Then, I found out about Claflin University and quickly discovered it was the place that offered exactly what I wanted in a university. I earned a spot on the Lady Panthers volleyball team and an academic scholarship from the Alice Carson Tisdale Honors College. It’s a long way from my home in Vienna, Austria, but I have achieved so much here.”

— *Kathrin Fischer, senior setter/hitter on the Lady Panthers volleyball team, NCAA Division II leader in serving ace percentage*

The World Needs Me.

“By getting involved with the various organizations on campus, I’ve made lifelong friendships as well as had many doors of opportunities opened. I’ve had memorable internships and traveled to different retreats and conferences. My experience here at Claflin has been nothing short of amazing.”

**The World Needs Visionaries.**

“I don’t think anything is more important to Clafin’s mission than teaching students. It is incredibly rewarding to see students who are struggling with intellectually challenging issues finally get it. You see that light in their eyes spark. Being a part of that process is one of the reasons why I love my job.”

The World Needs Me.

“A visionary is not merely someone with a dream. A visionary is someone who recognizes a dream and works to make sure that it is carried out in its entirety. Being a university that promotes visionary leadership, Claflin University has given me the tools to recognize and support my own dreams, as well as those of my peers.”

The World Needs Visionaries.

“Through my three years at Clafin University, I have been afforded so many opportunities to make the most out of my undergraduate matriculation. My educational experience has taken me every where from Wall Street to the Eiffel Tower. I’m humbled by it all. I’m not even 21 yet! Clafin has opened up many doors. I know I will have something to look forward to when it comes to my career.” – Quincy Allen, '12, Finance Major

The World Needs Visionaries.

"A lot of what has happened to Claflin and to Orangeburg has to do with somebody who has vision. I think the president here has vision, and when you have vision then you can see beyond the horizon. I think in the years that Dr. Tisdale has been here, he has seen beyond the horizon. What happens at Claflin is not confined to South Carolina or the United States. What happens at Claflin can impact the world globally." —*Dr. Leo Twiggs, '56*

The World Needs Me.

“Through my studies at Claflin, I have found a true passion for advocating for women, social justice and civil rights. Ultimately, I want to be a college professor, activist and overall just a cool lady. I want to do it all. I want to have my voice heard.”

**The World Needs Visionaries.**

“There is an overabundance of negative role models out there today. At Claflin University, we are creating positive role models for children inside and outside the classroom. One of our mottos is that we build people first and then build educators second. Programs like the MISTERS are challenging students to become visionary.”

The World Needs Me.

*"My motto is that you teach and you provide the same services to these students that you would for your kids at home, so not only is it fulfilling for the student, but it is so fulfilling for me. It's a passion that I have and I wouldn't be anywhere else but here at Claflin teaching."*

*—Dr. Angela Peters, Chair, Department of Chemistry, past S.C. Governor's Professor of the Year, the first African-American woman to ever chair the state section of the American Chemical Society*

 ##In-kind Gifts

### The World Needs Visionaries

“Since 1877, the Department of Music has had a long tradition of musical excellence, training some of the state’s most recognized music educators. With our commitment to preparing students to excel in a variety of professional careers in music, our students are becoming tomorrow’s leaders in the field.”

– Dr. Isaiah McGee, Department of Music Chair, recipient of the 2012 Exemplary Teacher Award from The General Board of Higher Education and Ministry of The United Methodist Church

Claflin University has been the beneficiary of valued contributions from many donors. As we look to an even brighter future in this new capital campaign, we reach out to donors to join us, to imagine the possibilities with us. Here are the many ways to give to Claflin University.

### CASH

A gift of cash (check or credit card) is the most popular way to give and entitles you to a federal income tax deduction of up to 50 percent of adjusted gross income.

### MATCHING GIFTS

You may be able to double, or even triple, the amount of your gift through a matching gift from corporations and businesses. Ask your employer if your company is a matching gift company.

### APPRECIATED ASSETS

Your gift of appreciated securities such as stocks, mutual funds, and bonds has attractive benefits. An outright gift of long-term appreciated assets avoids capital gains taxes and, in most cases, you earn a charitable income tax deduction equal to the market value of the securities.

### REAL PROPERTY

You can give real property, either as a bequest or by a lifetime transfer and realize significant tax benefits. Your gift is transferred by deed and may consist of all of your interest in the property or an undivided fractional interest.

### A LIFE INCOME GIFT

A Life Income Gift enables you to make a substantial contribution without financial sacrifice and with income tax and financial benefits. You make an irrevocable transfer of assets as a gift to Claflin University while receiving income for life from the gift.

### PERSONAL PROPERTY

Claflin University has been greatly enriched by gifts of personal property, such as rare books, manuscripts, paintings, artifacts, and other valuables. Your personal property gift provides a double benefit: a charitable deduction plus avoidance of any potential capital gain tax.
