Ways to Give to Claflin	44

President Henry N. Tisdale

Thank you for your investment in the future of Claflin University and its commitment to train visionary leaders with global perspectives. I am extremely pleased to present the 2012 Honor Roll of Donors. In it, we publicly honor and express appreciation to all constituents who have so generously invested in the vision and mission of Claflin University in the past year. These gifts enable Claflin to remain a vital and viable institution taking center stage as a producer of visionary leaders who influence change throughout the world.

As Claflin University continues to position itself as a leader among the leading teaching and research universities around the globe, the University remains keenly aware of the very important role it plays in educating young men and women in a globally competitive world. Support from alumni, friends, and corporate and community partners is key to the institution's success as a relevant influence in higher education. These gifts have also significantly bolstered the success of Claflin's historic \$96.4 million capital campaign. The Campaign for Claflin University assures the continuous delivery of a high quality education and an optimal environment for living and learning.

The pages of this publication demonstrate your unbridled willingness to provide resources for academically gifted and talented men and women; undergirding this University's commitment to provide access to a quality education. Claflin continues to broaden its academic, social, and technological landscape in order to attract the world's best and brightest students, faculty, staff, and administrators. Proof of our work is convincingly evident in the innovative initiatives implemented in the institution's quest to help students realize

their dreams and extend their academic and professional reach well beyond the gates of Claflin University; navigating world challenges, solving critical problems, and succeeding at whatever endeavors they pursue.

Many of the images in this Honor Roll of Donors illustrate the global reach Claflin University has achieved; from the increasing numbers of international students now attending the University, to the top ranked faculty whose research speak to global concerns. It also contains images of some of the donors who have joined the University in its mission to create a superior learning environment for students.

Once again, thank you for your generous gifts, and for your continued support to Claflin University. Your investment greatly and positively affects the present and future growth of this institution and continues to catapult Claflin to an even higher level of excellence.

Henry N. Tisdale '65
President

A group of approximately 15 international students are walking along a paved path on a university campus. They are dressed in a variety of styles, from formal suits and dresses to casual t-shirts and jeans. In the background, there are large green trees, a brick building, and a black lamppost with a red banner that reads "Claflin The World Needs Visionaries". A red lantern is also visible hanging from the lamppost. The scene is set on a clear, sunny day.

From China to Trinidad, Claflin University is attracting students from across the world like never before. This year, a record 35 freshman representing nine nations enrolled at Claflin. It is the highest number of international students from any class in University history.

Clafin University research initiatives continue to have a global impact. Dr. Omar Bagasra, the director of the S.C. Center for Biotechnology at Clafin, is shown talking to faculty members from the Dow University of Health Sciences in Karachi, Pakistan where he led the effort to establish a vaccine center. Bagasra and Clafin University were also awarded U.S. patent for the development of a research process that could lay the groundwork for a potential preventative vaccine for HIV.

A photograph of Claffin University's main building at night. The building is a large, two-story brick structure with a central entrance featuring a pediment and a small cupola on the roof. Numerous windows are illuminated from within, and the building is lit by external lights. In the foreground, a large, ornate, multi-tiered stone fountain is active, with water spraying upwards and outwards. The fountain is set on a paved area with some landscaping, including bushes and a small tree. The sky is a deep blue, indicating twilight. The entire image is framed by a decorative border consisting of alternating purple and orange diagonal stripes.

Claffin University is preparing the next generation of global thinkers through its newly established Visionary Leadership Institute. Under the leadership of Dean Kenneth Stokes, the VLI will enhance student outcomes and provide them with skill sets that will bring international distinction to the University. The institute's purpose is to educate new generations of critical thinkers to become leaders, engage the world as global citizens and address issues across numerous cultures.

Claflin University President Dr. Henry N. Tisdale and First Lady Alice Carson Tisdale announced a gift of \$250,000 to the University; \$150,000 of the funds will endow a professorship in the STEM (science, technology, engineering, and mathematics) disciplines. The Tisdales' gift will also support two endowed scholarships, the Alice Carson Tisdale Endowed Scholarship in Education, and the Henry N. Tisdale Endowed Scholarship in Mathematics. Moreover, the gift provides scholarship support for students in other disciplines and student athletes.

Philanthropist Darla Moore presented \$1 million gift to the Claflin University Department of Music to establish an endowed scholarship fund for musically gifted students. The Department of Music offers degrees in music and music education. Moore said Claflin University has claimed its place among those institutions which offer a powerful and comprehensive liberal arts education, and she is proud to support it.

In-kind Gifts

Dr. Liz Zimmerman Keitt, president of the Claflin University International Alumni Association, presents a check for \$18,000 to the University. Claflin alumni giving rate of 42 percent has garnered a number one ranking among HBCU's by U.S. News and World Report. Also pictured are, from left, Rev. Whittaker V. Middleton, vice president for institutional advancement, President Henry N. Tisdale and Marcus Fogle, manager of the Annual Fund.

Claflin University has been the beneficiary of valued contributions from many donors. As we look to an even brighter future in this new capital campaign, we reach out to donors to join us, to imagine the possibilities with us. Here are the many ways to give to Claflin University.

CASH

A gift of cash (check or credit card) is the most popular way to give and entitles you to a federal income tax deduction of up to 50 percent of adjusted gross income.

MATCHING GIFTS

You may be able to double, or even triple, the amount of your gift through a matching gift from corporations and businesses. Ask your employer if your company is a matching gift company.

APPRECIATED ASSETS

Your gift of appreciated securities such as stocks, mutual funds, and bonds has attractive benefits. An outright gift of long-term appreciated assets avoids capital gains taxes and, in most cases, you earn a charitable income tax deduction equal to the market value of the securities.

REAL PROPERTY

You can give real property, either as a bequest or by a lifetime transfer and realize significant tax benefits. Your gift is transferred by deed and may consist of all of your interest in the property or an undivided fractional interest.

A LIFE INCOME GIFT

A Life Income Gift enables you to make a substantial contribution without financial sacrifice and with income tax and financial benefits. You make an irrevocable transfer of assets as a gift to Claflin University while receiving income for life from the gift.

PERSONAL PROPERTY

Claflin University has been greatly enriched by gifts of personal property, such as rare books, manuscripts, paintings, artifacts, and other valuables. Your personal property gift provides a double benefit: a charitable deduction plus avoidance of any potential capital gain tax.

For more information about these and other giving opportunities, please contact Rev. Whitaker V. Middleton, Vice President, Division of Institutional Advancement at Claflin University. Toll Free 888.223.7103, direct 803.535.5312 or at wmiddleton@claflin.edu.
