

Student Achievement

The Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) requires that institutions publish student achievement information. In SACSCOC's [Policy on Institutional Obligations for Public Disclosure](#), student achievement information may include "reliable information in retention, graduation, course completion, licensure examinations, and job placement rates and other measures of student success appropriate to institutional mission." Claflin University utilizes a variety of measures and metrics of student achievement to evaluate the success of its educational and co-educational programs which align with the University's Mission and Strategic Plan. .

Retention & Graduation Rates

Claflin measures the percentage of **first-time students** who are seeking bachelor's degrees who return to the institution to continue their studies the following fall semester (**retention**). The University also measures the completion rates of "full-time, first-time" students.

Employment & Graduate/Professional School Placement

The University monitors the rates at which its graduates secure meaningful/gainful employment and/or enroll in graduate and professional school as a measure of the success of its educational program. The table below summarizes employment and graduate/professional school enrollment for our most recently evaluated alumni. The composite percentage is an unduplicated account of placement activity.

Undergraduate Placement Rate			
Graduation Year	2014	2015	2016
Employed Pct.	63%	74%	73%
Grad. School Pct.	24%	28%	32%
Composite Pct.	78%	82%	84%

Licensing and Certification Examinations

Clafin University evaluates student success on state and national licensing examinations as a measure of student achievement. Certain professions require graduates to achieve specific levels on licensure examinations for employment. One requirement for teaching kindergarten through twelfth grade in public schools in the state of South Carolina is earning a passing score on the PRAXIS II examination.
