

DEPENDENCY CHANGE REQUEST FORM

Student Name SSN	
------------------	--

Financial Aid applicants who do not meet the definition of an independent student as defined by the U.S Department of Education who believe that they are independent should read and complete this form. The description below is from the Financial Aid Handbook, published by the U.S. Department of Education. It describes how a financial aid administrator may perform a dependency override.

"The Higher Education Act" allows a financial aid administrator to make dependency overrides on a case-by-case basis for students with unusual circumstances. If the administrator determines that an override is appropriate he/she must write a statement detailing the determination, and must include the statement and supporting documentation in the student's file. However, none of the conditions listed below, singly or in combination, qualify as unusual circumstances or merit a dependency override:

- Parents refuse to contribute to the student's education;
- Parents are unwilling to provide information on the application or for verification;
- Parents do not claim the student as a dependent for income tax purposes;
- Student demonstrates total self-sufficiency

(2020-2021 U.S Department of Education SFA Handbook- Chapter 2 Filling Out the FAFSA, AVG 4&25)

If you do not meet the Department of Education's definition of an independent student and are claiming to be independent, please complete the attached forms and submit them with all of the required documentation which are listed below. This form and documentation will be reviewed by the Financial Aid Administrator. All decisions made by the administrator are final.

- 1. Complete the attached" **Student Information/ Statement"** form. Documentation supporting any claims made to support dependency override request must be provided. For Example:
 - If your parents are deceased, please provide a Death Certificate or other official documentation that will show that they are deceased.
 - If you have been legally separated from your parents, please provide copies of court orders
- 2. **Detailed student statement**. A detailed account providing information that would support change of dependency status.
